# CHALLENGE!

- This is not a competition but a chance to land at other airfields, either familiar or new.
- You must try to visit at least once an airfield beginning with the initials of our Club.
- It must have been completed by the end of the calendar year in which it was started.
- Where an airfield is known by two names e.g. Wolverhampton and Halfpenny Green, both can qualify as a separate entry but two visits must be made.
- Tatenhill can be used as a wild card but only once.
- In addition to pilot (P1) a buddy pilot can qualify for entry.
- Verification will be by log book entry.
- ALL who complete the challenge will be awarded a celebratory bottle of Prosecco!
